“And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.” (Revelation 13:11)

“The lamblike horns and dragon voice of the symbol point to a striking contradiction between the professions and the practice of the nation thus represented. **The “speaking” of the nation** is the action of its legislative and **judicial authorities.**” (The Great Controversy Page 442) ([Get our Bible Study on the United States in Prophecy](#))

We will see shortly whether Donald Trump’s judicial nomination of Brett Kavanaugh stands. But if we understand that the lamblike beast (America) is to speak like a dragon through the “Judicial authorities”, it may be of prophetic interest as to who is the next judge elected to the supreme court.

One of the front runners who was also nominated by Trump to the US Court of Appeals 7<sup>th</sup> Circuit was Amy Coney Barrett who has said in an article entitled “Catholic Judges in Capital Cases” that it is the duty of judges to put their faith above the constitution.

This was one of Trump’s front runners

for the supreme court which we are told is to speak like a dragon.

### Brett Kavanaugh – A Jesuit Nominated? – Jesuits Traitors

Interestingly however, Brett Kavanaugh was Donald Trump’s pick as a nominee for the supreme court. And the first thing he talked about when elected was his Jesuit education. What’s the big deal about the Jesuits? Don’t miss this next quote from former President Abraham Lincoln:

“I will be forever grateful for the warning words you have addressed to me about the dangers ahead to my life, from Rome...The pope **and the Jesuits**, with their infernal inquisition, are the only organized powers in the world which have recourse to the dagger of the assassin **to murder those who they cannot convince with their arguments or conquer with the sword.**

Get the latest DVD's or booklets.

But it is more a religious than a civil war. It is Rome who wants to rule and degrade the North, as she has ruled and degraded the South...

But it is very certain that **if the American people could learn what I know of the fierce hatred of the priests of Rome against our institutions, our schools, our most sacred rights, and our so dearly bought liberties, they would drive them away tomorrow from among us, or they would shoot them as traitors.**  
— Fifty Years in the Church of Rome, pp. 294, 295.

They would shoot the Jesuits as traitors if they knew what the Jesuits were? Now with such a letter coming from former President Lincoln whom many say was assassinated by the Jesuits, should we be alarmed that President Trump just picked a Jesuit educated judge to fill the spot of Justice Kennedy and in turn have 6 of the 9 Supreme Court judges being Catholic.

### **Protestant Government – Reps Elected to Protect Constitution and Liberty**

Here is some more history we should be aware of. From the Book Great Controversy we are told:

“And he had two horns like a lamb.” The lamblike horns indicate youth, innocence, and gentleness, fitly representing the character of the United States...**And the Constitution** guarantees to the people the right of

self-government, **providing that representatives elected by the popular vote shall enact and administer the laws.** Freedom of religious faith was

also granted, every man being permitted to worship God according to the dictates of his conscience. **Republicanism and Protestantism became the fundamental principles of the nation.** These principles are the secret of its power and prosperity.” { Great Controversy Page 441 } The government was considered a protestant government. And they are elected to enact and administer the laws, that is the constitution. Former Presidents like Thomas Jefferson explained that in order to ensure freedom in the United States the separation of Church and State was absolutely necessary. James Madison the fourth president said that the reason for the first amendment was to keep forever from the

shores of the United State the ceaseless blood that was spilled by the priests in Europe from being spilled over in America. These men understood the necessity of a Protestant government. But now we have an almost two thirds Catholic government and none alarmed. And those who are not Catholic are no longer protesting

the atrocities that happened during the dark ages.

And thus it seems we are almost ripe for fulfilling prophecy. The lamblike beast, the United States is speaking like a dragon through its law making and judicial authorities. The executive order signing pen of Donald Trump has been all but given to the Church, Trump fulfilling his promise to “give power back to the church.” The fulfillment of this beast the United States “exercising **all the power** of the first beast” is about to come to pass. (See Rev 13:12)

The fact that Trump picked someone who has a Jesuit education is so serious, that only those with an understanding of history will see the significance. The history of the Jesuits tells us one thing very clearly. That is that they hate the constitution of the United States which ensures liberty. Especially the first amendment which protects liberty of conscience.

“Protestants have tampered with and patronized popery; they have made compromises and concessions which papists themselves are surprised to see and fail to understand. Men are closing their eyes to the real character of Romanism and the dangers to be apprehended from her supremacy. The **people need to be aroused to resist the advances of this most dangerous foe to civil and religious liberty.**” (Great Controversy Page 566)

This was written over 100 years ago. It was well known what would come to pass in the United States.

### **Jesuit Oath – Spy, Get into Judicial Positions – Exterminate Heretics**

The Jesuit Oath of Induction is

also recorded in the Congressional Record of the U.S. (House Bill 1523, Contested election case of Eugene C. Bonniwell, against Thos. S. Butler, Feb. 15, 1913, pp. 3215-3216).there Notice what it says firstly:

“You have been taught your **duty as a spy,** to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, **in parliaments and legislatures, and the judiciaries and councils of state,** and to be all things to all men, for the Pope’s sake, whose servants we are unto death.”

Interesting that it tells us that they are to be spys in legislature, but also judiciaries. So it is interesting that the judge being appointed by Trump is Jesuit educated. But furthermore, notice what else this shocking oath says:

“I furthermore promise and declare that I will, when opportunity present, make and wagerelentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, **to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants’ heads against the**

**walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet,** regardless of the honor, rank, dignity, or authority of

the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of

the Brotherhood of the Holy Faith, of the Society of Jesus.”

Wow, is it possible that former presidents like Abraham Lincoln knew what they were talking about. If you don’t yet understand the agenda, you can read my previous prophetic updates, or read the book Great Controversy.

In an article recently written in the New York

Times we read: “With the nomination of Judge Kavanaugh, 53, now a federal appeals court judge, Georgetown Prep, **an elite Jesuit high school** just outside Washington, D.C., could have the distinction of having two alumni on the nation’s highest court.”

This would be the second Jesuit educated Judge that Trump has

put on the supreme court.

### **Loyalty to Pope over Constitution Despite Vows**

Where does the loyalty of the Jesuit lie?

“Whatever their nationality or their government, they are to regard the authority of the church as above all other. **Though they may take the oath pledging their loyalty to the state, yet back of this lies the vow of obedience to Rome,** absolving them from every pledge inimical to her interests.” (Great Controversy Page 580)

Did you get that? They make take an oath to uphold the constitution, but like Amy Coney Barrett, their religion comes first above it. Donald Trump himself went to a Jesuit University. Pope Francis is the first Jesuit Pope. Jesuits seem to be getting into the highest places of authority. And Brett Kavanaugh was very quick to mention his Jesuit education as something very important. Why? When no religious test matters?

### **Jesuits Most Satanic Sect**

Former President John Adams once wrote to former President Thomas Jefferson saying:

**“I am not happy about the rebirth of the Jesuits. Swarms of them will present themselves**

**under more disguises ever taken by even a chief of the Bohemians, as printers, writers, publishers, school teachers, etc. If ever an association of people deserved eternal damnation, on this earth and in hell it is**

## this Society of Loyola. (Jesuits)”

Do you think it might be possible that these former Presidents like Lincoln, Jefferson, Madison, Adams, would never have chosen a Jesuit as part of the Supreme Court of America? It was only recently that House Speaker Paul Ryan said that we need more Catholics in power. Why? Maybe some of these people understand the agenda, although it is possible that many have not understood what they stand for:

“When appearing as members of their order, they wore a garb of sanctity, visiting prisons and hospitals, ministering to the sick and the poor.. Under various disguises the Jesuits worked their way into offices of state, **climbing up to be the counselors of kings, and shaping the policy of nations. They became servants to act as spies upon their masters...**The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery.” (Great Controversy 235)

The Jesuit inquisition should remind us why we need to understand history and what was fought for in America, liberty of conscience, freedom, is being made war on, almost secretly, however, with Trump offering power back to the evangelicals, and the evangelicals uniting

together with the Papacy, there is a true movement here. Some will see and understand that all of this prophecy that is taking place is leading finally to the enforcement of Religious observances in the United States. And if you can't see this, take a look at the previous prophecy updates to see that it is well documented fact and well under way.

### **Ultimate Goal – Religious Observances Enforced by Secular Laws– Church Domination of the State**

“And let it be remembered, it is the boast of **Rome that she never changes. .. Protestants little know what they propose to accept the aid of Rome in the work of Sunday exaltation.** While **they are bent upon the accomplishment of their purpose,** Rome is aiming to re-establish her power, to recover her lost supremacy. **Let the principle once be established in the United States that the church may employ or control the power of the state; that religious observances may be enforced by secular laws;** in short, that the authority of church and state is to dominate the conscience, and the triumph of Rome in this country is assured. (Great Controversy 581)

The Papacy has leopard spots, and the Bible tells us that a leopard cannot

change its spots. But

that is for you to discern. Be sure to subscribe below to keep up with the current trend of events.

And this book Great Controversy was written over 100 years ago. Perhaps foretelling the future is possible. It is called prophecy. And the Bible tells us that he gives to his last day people a special gift. That is “the spirit of prophecy.”

“And the dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ.” (Revelation 12:17) “The testimony of Jesus is the Spirit of Prophecy.” (Rev 19:10)

The Dragon has a woman riding his back. The Church using the State power to make war on God's last day people who see and understand what God has shown us concerning these last day events.

## LUNAR SABBATHS - WHERE IS THE HISTORICAL EVIDENCE?

There is NONE.... No letters between sects. No division between believers. No uprisings of the Jews. There is no historical evidence whatsoever that there was a gradual change between believers regarding the change of the Jewish national Holy Day from a lunar Sabbath to Saturday from any of the Church Fathers.

However, let me acknowledge something that is produced as evidence by Lunar Sabbath keepers. However unreliable it might be, let us acknowledge it. Here it is.

**"The New Moon is still, and the Sabbath originally was, dependent upon the lunar cycle."** (Universal Jewish Encyclopedia, article: "Holidays," by Max Joseph 1906).

Now this comes from a man named Max Joseph. Is Max Joseph a reliable source? Well, let's read a little more about what he says regarding the Sabbath.

He says **"The origin of the Sabbath is obscure."** (Universal Jewish Encyclopedia, article: "The Sabbath," by Max Joseph 1906)

OUCH!!! This man is not a Bible

believing Christian, and I can tell you right now, that he does not read his Bible. Because the Bible is very clear on where the Sabbath originated. (Genesis 2:2, 3) The creation account.

But notice that he continues:

***"The origin of the Sabbath, as well as the true meaning of the name, is uncertain.... It was probably originally connected in some manner with the cult of the moon."*** (Universal Jewish Encyclopedia, article: "The Sabbath" 1906)

Okay, there you have it folks. It was ""probably""", more than likely, maybe, I'm not 100% sure connected in some manner to the New Moon. I'm not sure about you. But I don't use unsure sources. This man is not sure. At least say "It was connected" rather than "it was probably" connected. How did this end up in the Jewish Encyclopedia? I have no idea. Clearly there is no standards in that book.

He is saying "probably" it was connected to the New Moons. This is an unreliable source. But he continues, and it gets even worse for the Lunar Sabbath keeper from here if this is there

source.

***"It was probably originally connected in some manner with the cult of the moon, as indeed is suggested by the frequent mention of Sabbath and New-Moon festivals in the same sentence.... When the Israelites settled in the land and became farmers,(1400 BC) their new life would have made it desirable that the Sabbath should come at regular intervals, and the desired change would have been made all the more easily as they had abandoned the lunar religion."***

Okay, now let's really get straight here. This man just said that it was changed to a continuous weekly cycle 1400 years before Christ was born and 1700 years before the Roman Church changed the weekly cycle from Saturday to Sunday and became the monstrosity that it is. This source says the change had nothing to do with the Catholic Church.

Are there any sources to suggest that the Catholic Church changed it from a Lunar Cycle to a continuous weekly cycle? No. None. So what is left then? Nothing, other than a few fringe people who picked up on this, and everything saying there was ever a

change is definitely dated after at least 1900 AD.

So there really is nothing historical as has been said to back up a Lunar Sabbath. Unless you want to use a source that says they changed it 1400 years before Christ and Christ never observed the Lunar Sabbath, I would suggest that as a Lunar Sabbath keeper you rethink this.

God is calling you back to the platform of truth and the true Sabbath which is part of that platform. (Taken from the Booklet Exposing the Lunar Sabbath. For Much More on this topic ask us for a copy)
