## Unions Strikes School Strikes Birth Strikes - Sunday Laws

WWW.THETHIRDANGELSMESSAGE.COM

### School Strikes

March 15<sup>th</sup>, 2019 a worldwide school strike took place. Children being told in their schools that by 2030 they will all be dead because of climate change. And told they have nothing to live for in this world. This is the reality of what is being pressed on them in schools today and also by the mainstream media.

Luk 21:11, 26 ...great earthquakes shall be in divers places, and famines, and pestilences; and **fearful sights** and great signs shall there be from heaven. (and furthermore)...**Men's hearts failing them for fear, and for looking after those things which are coming on the earth:** for the powers of heaven shall be shaken.

Fear is the motivating factor of those looking at the things of this world and not thinking of things that are heavenly. But for the Christian who understands we can truly say our “Kingdom is not of this world.” (John 18:36)

### Birth Strikes

Not only have their been school strikes, but also birth strikes. A recent article from FOX News says “‘Birth Strike’ founder argues future ‘too frightening’ for her to have children due to climate change.”

So they feel to afraid to have kids because of a future civilization breakdown because of the climate crisis.

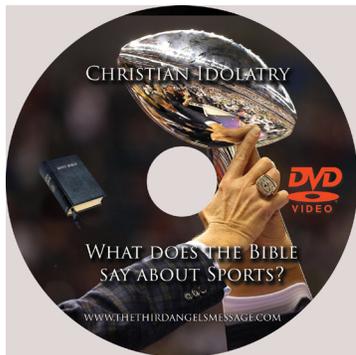

### Union Strikes

On March 15<sup>th</sup>, Labor Unions were called to strike with the schools. The following headline “Unions join students’ call to strike for real climate action” <https://www.greenleft.org.au/content/unions-join-students-call-strike-our-climate>

It is about to get more serious, the world is in fear, being told we have 11 years until the end. Fearful sights and signs are going to happen, and a godless society will beg their governments to step in and do something as we see more widespread disasters. And many believe that some of these disasters are being enhanced or created by weather manipulation. If this is possible, then it would definitely be in the favor of this agenda to create these disasters.

Now consider this with all these unions and strikes going on that 100 years ago, the following prophecy was given to us.

“Through the working of trusts and the results of **labor unions** and **strikes**, the conditions of life in the city are constantly becoming more and more difficult. Serious troubles are before us, and for many

or booklets.

family's removal from the cities will become a necessity." (EGW Adventist Home 136)

Unions and strikes. You see first you got school strikes, second you got birth strikes, and then labor strikes. So, what's coming next?

Furthermore, this person also said: "The time is fast coming when the controlling power of the labor unions will be very oppressive."— (EGW 2SM 141)

And finally in the book Great Controversy they also wrote: "As the movement for Sunday enforcement becomes more bold and decided, the law will be invoked against commandment-keepers." (EGW Great Controversy Page 607)

If you'd like to understand more about this please contact me. This is how we were told the Sunday laws would come, and they are coming just as prophesied.

You see the school strikes going on. Next you see the Birth strikes, and what is about to follow? Labor strikes... And according to the International Labor Organization, the goal is "Reintegrate Sunday protection into EU law." (COMECE Future of Work Page 34) I'll come back to this.

Thus through labor unions and strikes, this climate agenda will move forward. The world is in fear, and as part of the agenda, Sunday will be seen as something beneficial to society for the "common good" of everyone. I'll make this clear below from their own words. But let's just break down a little bit of history.

I remember when I was in school in the 1980's that they said our oceans would overflow with water and we'd all be under water by the 1990's, and by 2000 everyone would die because of global warming we'd all be burnt up.

Fear was being used back then, and our only savior we were told would be the government coming in and straightening everything out.

Oddly enough, it is 2019 right now and we're still here. I think they have worse things to fear than climate change.

Matthew 10:28 And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.

### Climate Chaos 2015

In 2013 French Minister Fabio Laurent while meeting with John Kerry made the statement that we had 500 days to avoid climate chaos. Fear gripped the world and the internet.

After this, it followed that but few of us knew what was coming, the internet blew up with potential doomsday scenarios, it was a coming Climate apocalypse that many were waiting for but did not know what was about to come. Pope Francis would be in America, and the time passed, and but few understood the significance of the event.

500 days later it was the day of Atonement, or judgment day. And Pope Francis was speaking to the United States Government, and the day after went to New York City to speak to the United Nations.

Pope Francis put out an environmental encyclical a few months before, and now here they were 500 days after the prediction of avoiding Climate Chaos.

Pope Francis addressed the United Nations concerning the environmental encyclical, and the United Nations on this same day adopted UN Agenda 2030, otherwise known as the Sustainable

Development Agenda.

### COMECE 2018 Sunday Laws UN and EU

Comece, which is the Commission of the Bishops' Conferences of the **European Union (EU)** along with the ILO or International Labor Organization which is a **United Nations (UN)** organization and we are told is an "agency whose mandate is to advance social justice and promote decent work by setting international labour standards."

They have created a

document together on Shaping the Future of work which we are told was to "fuel the discussion on the programme for work of the next European Commission and the European Parliament, as well as the initiative on the future of work launched by the International Labour Organization (ILO)." In this work together for the future of work, they put together a document called COMECE 2018 – Shaping the Future of work, and in this proposal they are saying that they want to:

**"Reintegrate Sunday protection into EU law: ... Sundays, we recommend that the EU protects Sunday in a revised Working Time Directive as a collective day of rest."** (Page 34)

<https://www.vaticannews.va/en/church/news/2018-11/comece-eu-ilo-work-labour.html>

### Sundays for the Common Good

"In respecting **religious liberty** and **the common good of all**, Christians should **seek recognition of Sundays** and the Church's holy days as legal holidays." (Catechism of the Catholic Church, #2188)

This objective is stated numerous times in their document the Future of Work, and apparently it is to save the earth, the birds and the bees and we are being told that this is **for the common good of humanity.**

## SHAPING THE FUTURE OF WORK

A FAITH-BASED CONTRIBUTION TO THE ILO CENTENARY INITIATIVE

Now just what exactly is the “common good”?

Well, In Russia it was recently declared that for the common good of the nation, they outlaw certain sects of believers such as the Jehovah’s witnesses and put them in jail for years on end, torture them by suffocating them with blankets and electrocuting them so they will repent of their actions and beliefs which were a threat to the mainline orthodox church of Russia. It was also declared that for the common good children of heretical parents should be taken from their homes and sent away to be brought up by my mainline orthodox believers.

Now During the dark ages of Papal rule, it was declared that for the common good, believers who did not accept the mainline Catholic teaching of Sunday Keeping or the Trinity belief should not be allowed to worship in church buildings. But furthermore, that there should be inquisitions and the inquisitors were to use torture, and even extermination of those who did not abide by the church doctrine. In fact, entire towns, and even nations were uprooted because they didn’t accept the mainline teaching. And this all apparently for the “common good” of everyone.

It was declared by King Nebuchadnezzar of ancient Babylon that for the common good three boys who weren’t worshipping according to the law of the land should be thrown in the fire. It was for the common good that King Darius religious advisors should advise Darius to make a State law that caused

Daniel to be thrown into the lion’s den because he refused to walk contrary to the word of God and was deemed an outlaw and a heretic according to State law.

And now for the common good apparently, COMECE along with other Catholic-inspired organizations who participated in drawing up the document on shaping the future of work including the European Christian Workers’ Movement, the International Christian Union of Business are working together for State enforced Sunday Laws for the common good of the people.

### United States Mapped out by United Nations

The United Nations have a Sustainable Development Map that was signed by the United States government on the highest levels to outlaw people from going into the red and yellow zones of the map. They want to make these areas off limits to humans and move us all into cities. God said to spread out and multiply, but the message of Babylon is to stop multiplying and move into cities. God says “Come out of Babylon” and they want to move us into it.

### Sunday Enforcement the Mark of the Beast

Sunday enforcement a symbol of works

rather than rest and will be seen as a mark in the hands. Invisible to the world, but seen by God. As the Bible says “Whatsoever **thy hand** findeth to do, do it with thy might; for there is **no work**, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest.” (Ecc 9:10)

And a mark in the forehead is a symbol of the mind, or the decision making part of the person.

Isaiah 8:16 Bind up the testimony, **seal the law** among my disciples.

Deuteronomy 6:6-8 And these words, which I command thee this day, shall be in thine heart... And thou shalt bind them for **a sign** upon **thine hand**, and they shall be as frontlets **between thine eyes.**

God wants to write his laws in our mind, this is the sign that we are sealed

**Simulated Reserve and Corridor System to Protect Biodiversity**  
As Required by the UN Convention on Biological Diversity, Wildlands Project, UN and US Man and Biosphere Programs and World Heritage Program as a Vital Step in Attaining Sustainable Development  
This map was used by the United States Senate to stop the ratification of the United Nations Convention on Biological Diversity

by Him. And the Sabbath symbolizes rest rather than works, your hand declaring your works.

### The Mark is NOT a Microchip

You see the mark isn’t just some microchip that can be put in people without people making a decision. Little babies can be chipped from birth, but this doesn’t imply that they have the mark of the beast. God’s children are those who make a decision in their mind (forehead) to serve him, and furthermore, their works (hand) do follow them. (Rev 14:11-13)

If someone was doing God's will and someone forcibly put a microchip in them, they would be lost? That is false doctrine. That would be a cruel God. The Mark can only be taken by choice, and no one could ever force someone to take it. And it has to do with keeping the commandments of God. (Rev 14:12)

Revelation 14:11-13 ... and they have **no rest** day nor night, who worship the beast and his image, and whosoever receiveth **the mark of his name**. Here is the patience of the saints: **here are they that keep the commandments of God, and the faith of Jesus**. And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that **they may rest** from their **labours**; and **their works** do follow them.

The beast is the Papacy, and its mark is Sunday keeping, and when it is enforced by law, the world will then have a decision to make. Will they labor 6 and rest the 7<sup>th</sup>. Or will they have no rest and follow the man who is telling them to violate God's commandment? Will they stand on the word of God, and keep the Sabbath, or keep the day appointed by a man, the Papacy?

"Of course the Catholic Church claims that the change [Saturday Sabbath to Sunday] was her act... And **the act is a mark** of her ecclesiastical authority in religious things" (H.F. Thomas, Chancellor of Cardinal Gibbons)

Mark of authority. Who is the author of the law? God. Who is your author-ity?

### ***The Judgment of the Great Whore (JUDGMENT DAY 2015) An Abomination of Desolation***

As I mentioned earlier, the Papacy was in America on the day of atonement 2015. On the day of atonement the priest, which mediates on behalf of the people goes before the most high in the most holy place with his blood and a

judgment takes place. The judgment is according to the law of God. Christ is our high priest, our mediator, our advocate, our lawyer in the judgment scene. And the day of atonement was the only day in which the priest could enter the most holy place or the presence of God.

Interestingly it was on judgment day that the Papacy was in America. America being a protestant government, protesting the works of the Papacy was now having the Papacy speak to her advising her in regard to her policies.

And the next day going to the United Nations. The Church gaining State power to push her policies is an abomination to God.

Ezekiel 16:2, 15 "Son of man, cause Jerusalem to know **her abominations**... But thou didst trust in thine own beauty, and **playedst the harlot** because of thy renown, and **pouredst out thy fornications** on every one that passed by; his it was."

What was her sin, playing the harlot with the kings of the earth. This is an abomination. Now let's look at Revelation 17.

Rev 17:1-2 And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto **thee the judgment of the great whore** that sitteth upon many waters: **With whom the kings of the earth have committed fornication**, and the inhabitants of the earth have been made drunk with the wine of her fornication.

Why is she judged? Fornication with the kings of the earth. Church and State. And this is an abomination. What was happening on Judgment day 2015. That very thing, but there is more. That is why she is holding a cup full of abominations, full of the blood

of martyrs caused by this abomination. (Rev 17:4-6)

In Revelation 17 the Bible says a woman is riding the beast. This symbol of the harlot church, the Catholic Church gaining power over the State is a symbol to God's people to come out of her when she is doing this. Not only that but to give a loud cry to others to "come out of her" (Rev 18:1-4)

But furthermore:  
Rev 17:12-14 And the ten horns which thou sawest are ten kings, These have one mind, These shall make war with the Lamb,,,,

They have one mind. Another word for one is United. A bunch of kings united. This is the United Nations. And that is what the harlot church in Revelation 17 will use to make war with God's people. Speaking of this scarlet beast she is riding, the red dragon with ten horns,

and the war that it is to be made on God's people we read.

Rev 17:16 And **the ten horns** ... shall **make her desolate** and naked, and shall eat her flesh, and burn her with fire.

Wow. This abomination of fornication with these kings is an abomination that makes desolate. God calls us to recognize it.

### ***Jerusalem Surrounded by Armies***

You see Jesus said:  
Mat 24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the

holy place, (whoso readeth, let him understand:)

He also said:

Luk 21:20 And when **ye shall see Jerusalem compassed with armies**, then know that the desolation thereof is nigh.

### **Jerusalem the Church - The Ten Horns (Armies)**

So this is a sign to us... But how is Jerusalem being surrounded?

Heb 12:22-23 But ye are come **unto mount Zion**, and unto the city of the living God, **the heavenly Jerusalem**, and to an innumerable company of angels, (23) To the general assembly **and church of the firstborn**, which are written in heaven, and to God the Judge of all, and to the spirits of just men made perfect,

We are told that we are children of this mother:

Galatians 4:26 But **Jerusalem** which is above is free, **which is the mother of us all**.

We are her children, her seed. The Remnant of her seed.

Revelation 12:17 And the dragon was wroth with the woman, and **went to make war with the remnant of her seed, which keep the commandments of God**, and have the testimony of Jesus Christ.

This dragon has ten horns (Kings, Armies). And what is he doing? Making war. In order to make war you need armies. Therefore the King of Babylon Lucifer, (Isa 14:4,12) is coming to make war with Jerusalem, surrounding the city. But this is an abomination that makes Babylon desolate, and she like Jerusalem in 70 AD shall be "burnt with fire." (Rev 17:16)

Jer 6:1-3 O ye children of Benjamin, gather yourselves to flee out of the midst of Jerusalem, ...for evil appeareth out of the north, and great destruction. I have likened the daughter of Zion to a comely and delicate woman. The shepherds with their flocks shall come unto her; they shall pitch their tents against her round about;...

### **Laws of the Land Used to Make War on Remnant**

Some say that the Sabbath is nailed to the cross. But how can it be if we are going to keep it in the New Heaven and New Earth. We are told:

Isa 66:22-23 For as the new heavens and the new earth, which I will make, shall remain before me, saith the LORD, so shall your seed and your name remain. And it shall come to pass, that from one new moon to another, and from one sabbath to another, shall all flesh come to worship before me, saith the LORD.

You see, the Papacy admits to the change. We can see it in their catechism which changes the fourth commandment to the third, removing the second on graven images, and saying we should keep the Sabbath holy but leaving the rest of the commandment concerning which day it is, and how it points to creation.

God wrote it in stone for a reason... It would be harder to delete or erase.

As part of Pope Francis encyclical on the environment he even admits that Saturday is the Sabbath, the seventh day, and Sunday is the first day. Notice:

"Sunday, like the Jewish Sabbath, is meant to be a day which heals our relationships with God, with ourselves, with others and with the world. ..Sunday is the day of the Resurrection, **the "first day"** of the new creation," (Laudato Si', 237).

Nowhere in the New Testament are we told that the day was changed to the first day of the week. It was written in stone that it was the seventh day. And judgment is coming, and those stones will be revealed soon.

Revelation 11:19 And the temple of God was opened in heaven, and there was seen in his temple **the ark of his testament**: and there were lightnings, and voices, and thunderings, and an earthquake, and great hail.

For anyone who believes that when these stones are revealed they will have changed any word of it, they will be in for a huge surprise.

The tables of stone don't read "the first day is the Sabbath of the Lord your God."

Thus through labor unions and strikes, this climate agenda will move forward. And as part of the agenda, Sunday will be seen as something beneficial to society for the common good.

This is the United Nations Agenda 2030, This is the Green New Deal, this is the Solar Alliance Movement, this the Sunrise Movement, this is the Sun – Day Movement, all these new movements, and this is why the Papacy is such a big part of this Environmental Movement with the United Nations, and this is what is coming:

Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

If we turn to God's word, He will give us understanding of these matters, He said He would show us things which must shortly come to pass so that we might believe. He told us that by this faith comes righteousness, and He told us that his way is different than the oppressive ways of Babylon, and he has given us deliverance through the cross of Jesus Christ. -DB
